Fix You

Roy Kim

When you try your best but you don't succeed
When you get you want but not what you need
When you feel so tired that you can't sleep
Stuck in reverse
When the tears come streamin' down your face
When you lose something you can't replace
When you love someone but it goes to waste
Could it be worse?

Lights will guide you home
And ignite your bones
And I will try to fix you

High up above or down below, no
When you're too in love to let it go
But if you never try, you'll never know
Just what you're worth

Lights will guide you home
And ignite your bones
And I will try to fix you

Tears stream down your face
When you lose something you cannot replace
Tears stream down you face
And I-I-I
Tears stream down you face
I promise you, I'll learn from my mistakes
Tears stream down your face
And I-I-I

Lights will guide you home
And ignite your bones
And I will try to fix you
