Gravity  
Is working against me now  
Oh oh gravity  
Wants to bring me down oh

Oh I never know  
What makes this man  
With all the love that his heart can stand  
Dream of ways  
To throw it all away yea

Oh gravity  
Is working against me now  
Oh oh gravity  
Wants to bring me down

Oh, twice as much  
Ain't twice as good  
Can't sustain like a one off could  
It's wanting more  
That's gonna send me to  
My knees yeah

Oh, twice as much  
Ain't twice as good  
And can't sustain like a one off could  
It's wanting more  
That's gonna send me to my knees yeah

Oh, oh gravity  
Stay the hell away from me now  
Woah, oh gravity  
Has taken better men than me now no

How can that be known  
Just keep me where the light is  
Just keep me where  
Just keep me where  
Just keep me where the light is  
Just keep me where the light  
Oh oh yeah  
Just keep me where  
Keep me where  
Oh keep me where the light is

Come on keep me where the light is  
Come on keep me where the light is oh  
Come on  
Keep me where the light is  
Ooh ah  
Keep me where the light is  
No no no no no  
Come on keep me where the light is  
Come on keep me where  
Keep me where

Keep me where the light  
Oh oh oh oh oh  
Mm-mm-mm
