I see your sad back hidden
Behind the flashy lights and busy schedules
For your heavy shoulders as you worry
About what you want to do and what you have to do

When I hear your footsteps
Greeting you with a smile
That is the only gift that I could give you
Are you feeling sick anywhere? Was it hard?

Don't worry about me
I just need you to be okay
When your heart is aching
When no one is there for you
Just come here

For you, who lays in a dark room alone
Not able to love the person you love. For you
Who is holding on to your heart that is collapsing in reality
And is going forward once again

When I hear your footsteps
Greeting you with a smile
That is the only gift that I could give you
Are you feeling sick anywhere? Was it hard?

Don't worry about me
I just need you to be okay
When your heart is aching
When no one is there for you
Just come here

Just come here

Sit on this bench filled with fallen leaves
Just until the sun sets
