Love Love Love, Love Love Love, Love Love Love

My dear, the moment  
I first saw your eyes  
My dear, I fell into an  
Unknown heart fluttering scent

I always only looked at your eyes  
I hoped that you would always look at me too  
I will tell you now with this voice

Love, oh love, yes,  
I like you so much  
Love, oh love, yes,  
I really love you  
Love Love Love, Love Love Love, Love Love Love

Oh my dear, just by  
Looking at you  
Oh my dear, just by  
Thinking about you

Each day passed so quickly  
I hoped that you would always look at me too  
I will tell you now with this voice

Love, oh love, yes,  
I like you so much  
Love, oh love, yes,  
I really love you  
Love Love Love, Love Love Love, Love Love Love

Love, oh love, yes,  
I like you so much  
Love, oh love, yes,  
I really love you  
Love, oh love, yes,  
I like you so much  
Love, oh love, yes,  
I really love you

Love Love Love, Love Love Love, Love Love Love
