

The Lullaby

Roy Kim

I want to sleep with you
I won't touch a thing
Just lay down beside me
And I'll sing you a song
Just close your eyes
And just go with the flow
Leave yourself go astray
Oh don't worry I'll stay
Listen la la la la la la la la la
It's still a wonder to me how
I met such a beauty my love
Now you sleep my love
I won't let the monsters bite
Oh well I might
It's quite hard for me to let you be
But tonight I swear I'll try
Hope you dream of me
Hope you breathe of me
Tomorrow will come and tomorrow
I'll sing you again
La la la la la la la la la
It's still a wonder to me
How I met such a beauty my love
Now you sleep my love
