

After Tonight

Roy Orbison

It's our last dance
And my last chance
To be holding you tight
For soon, you'll belong to someone else
After tonight

Everyone says
In a few days
Everything will be alright
For you, it may be, but not for me
After tonight

All the moments
That we are together
Why can't they last, forever and ever
Oh, as I leave you, I'll won't see you
For teardrops are dulling my side
And soon you will be a memory
After tonight

All the moments
That we are together
Why can't they last, forever and ever
Oh, as I leave you, I'll won't see you
For teardrops are dulling my side
And soon you will be a memory
After tonight
After tonight
