Give Up

Roy Orbison

Uh, give up, uh, give up, uh, give up
I intend to get your love

Give up, yea, yea, yea
Give up, yea, yea, yea
Give up to me won't you give up to me tonight
Give up to me won't you give up and see the light
Give up to me won't you give up and treat me right
Yea, yea, yea, yea, yea

I'm out to make you my, my, my, baby
Give up, give up to me now, my baby
No need to wonder why, why, why, baby
I have cast a spell on you
There ain't nothing you can do, but give up
Uh, give up, uh, give up
Come on, break down and give up

Whether or not you want to trade love
And give me what dreams are made of
I don't care what your afraid of
I just want your love

It doesn't matter how you say it
It's my game and you must play it
Got you covered anyway you move
I know I'm gonna win your love
So Give up, uh, give up, uh, give up

Uh, give up, uh, give up
I intend to get your love

Give up, yea, yea, yea
Give up, yea, yea, yea
Give up to me won't you give up to me tonight
Give up to me won't you give up and see the light
Give up to me won't you give up and treat me right
Yea, yea, yea, yea, yea

I'm out to make you my, my, my, baby
Give up, give up to me now, my baby
No need to wonder why, why, why, baby
I have cast a spell on you
There ain't nothing you can do, but give up
Uh, give up, uh, give up

Gotta, gotta get your love
Uh, give up, yea, yea, yea, yea, yea
Give up, give up yea, yea, yea, yea, yea
Give up, give up, give up, give up, give up, give up, give up, give up
