

# I Can Read Between The Lines

**Roy Orbison**

Girl I got your letter telling me you're coming home tonight  
The lines were sweet and tender signed with all your love  
Pretty words to make me feel alright

Then I read it over I got the feeling you're not completely min  
e  
I held it to my chest, where you always rest  
And I cried 'cos I can read between the lines

Between the lines I see you're making believe  
But I can't help it, I still want you  
Between the lines it's plain you're playing that old game  
But I still love you, and I can't change

Baby I'll be waiting at the downtown station right on time  
Reaching out to hold you, the way I always do  
I'll pretend that you are only mine

And while I'm loving you I can't read between the lines  
While I'm loving you I can't read between the lines
