Laurie

Roy Orbison

Laurie, Laurie
Don't tell me you've been sad
Don't tell me you've been mad
For listen to me my friend
You've never been with Laurie

Laurie, Baby
Laurie, Baby
Laurie, Baby
Laurie, Baby
Laurie, Baby
Laurie

You may have cried a river
Had your heart torn in two
It's nothing to compare with what
I went through with Laurie

Laurie, Baby
Laurie, Baby
Laurie, Baby
Laurie

Don't make me see, you don't believe
All lies
Take it from me, Little Laurie

Laurie will leave you broken
Laurie will be untrue
Laurie will make you sorry
If you ever knew, Laurie

Laurie, Baby
