

Yes

Roy Orbison

Do I l-l-l-l-love you?, Oh yes
Do I w-w-w-w-want you?, Oh yes

Yes, I want you, Yes, I need you
Yes, truly I do, Yes

Does the touch of your hand
Take me through wonderland?
Will my love be deeper than the sea?
Y-y-y-yes, yes, oh yes

Do you re-re-re-remember?
The night we met?
Won't you please remember?
How could you forget?

I vowed it then
I vow it now
I vow to make you mine somewhere
Yes, yes, oh yes
