

# Balance

Roy Woods

(Told you)

I don't need love, I know I'll probably fuck it up, oh, (told you)

Ayy (told you)

Drinkin' too much, but let me get another cup, oh (told you)

Lisin' my balance (t-)

Swear I, I, I, I, I, I (told you)

Remember when I, I, I, I, I, I (told you)

Everytime I, I, I, I, I, I (told you)

You don't listen every time I try to, try to

Don't talk too much, don't laugh too much

Every time we link up it's a drama ting with you, girl

Bartender need a double over here

Why you tryna bring your double trouble round here?

More drinks, tell 'em with a D'USSÉ

Tryna figure out the BS that they (told you)

I told you, don't let them control you

They can't fit in your shoes

You tellin' me old news, blah blah blah

All I hear out your mouth baby

All talk, no walk, I'mma top, lady

Trust me, you'll see, 'cause

(Told you)

I don't need love, I know I'll probably fuck it up, oh, (told you)

Ayy (told you)

Drinkin' too much, but let me get another cup, oh (told you)

Lisin' my balance (t-)

Swear I, I, I, I, I, I (told you)

Remember when I, I, I, I, I, I (told you)

Everytime I, I, I, I, I, I (told you)

You don't listen every time I try to, try to

You don't listen when I try to tell you things

Like I ain't lookin' for love, no

Girl I met you in the club

We was just high off some drugs

I hit you off in the bathroom

Then we took it to the backseat

You want that good in the taxi

Stand down, stand down

Trippin', I don't even understand now

Fall in love wasn't in the plan, no

Give you my heart, I can't, no

I'm too busy chasin' these bands

I'm too busy chasin' the lean with the Xans

Girl I thought I told you

I can't talk if I'm sober

(Told you)

I don't need love, I know I'll probably fuck it up, oh, (told you)

Ayy (told you)

Drinkin' too much, but let me get another cup, oh (told you), ayy (told you)

Lisin' my balance (told you)

Swear I, I, I, I, I, I, I (told you)  
Remember when I, I, I, I, I, I, I (told you)  
Everytime I, I, I, I, I, I, I (told you)  
You don't listen every time I try to, try to (told you)

I don't need love, I know I'll probably fuck it up, oh (I need some balance)  
Ayy (I need some balance)  
Drinkin' too much, but let me get another cup, oh (I need some balance), ayy  
(I need some balance)  
Losing' my balance (my balance)

Swear I, I, I, I, I, I, I (I need some balance)  
Remember when I, I, I, I, I, I, I (I need some balance)  
Everytime I, I, I, I, I, I, I (I need some balance)  
You don't listen every time I try to, try to

Told you  
And I told you  
And I told you  
And I told you  
And I told you
