

Got Me

Roy Woods

Oh baby you got me
Woah, oh, oh, you hot me

Ripping out my hair
Having an affair
Sweating up in here
Swaggered in here
Tag me in that pic
Cause baby you got me
Holding on your hand
These girls all want me
I ignore them soft tings
Mean girl from Austin
You need me like a coffee
She gets me when she wants me
Show me your legs
I'll show you the six

When you come over
Text me when you're sober

Oh baby you got me
Oh baby you got me
Oh baby you got me
Oh baby you got me
Oh baby you got
Oh baby you got me
Oh baby you got me
Oh baby you got me
Oh baby you got me
Oh baby you got

Got me lookin' at my phone like, is you there?
(Where you at?)
She know that I need you here
Wonder if you hit my line up

Fix up your act girl, respect body
I'm actually, got me tired
When I'm with you, I get higher
Yeah the starter in the line up
Momma, I'm feeling your daughter
Can we go to dinner we'll pull up to Roscoe's, yeah
I hope you show me LA, I'll show you the six

When you come over
Text me when you're sober

Oh baby you got me
Oh baby you got me
Oh baby you got me
Oh baby you got
Got me wrapped up
In your arms filled with love
Girl don't stop
Please don't stop it
Girl don't stop

Please don't stop it

Oh my baby go farther
Oh mine baby go farther
Baby go, go farther
Oh my baby go farther
Oh mine baby go farther
Baby go, go farther
Oh my baby go farther
Oh mine baby go farther
Baby go, go farther

Oh baby you got me
Oh baby you got me
Oh baby you got me
Oh baby you got
Learn to love me
No more regrets
Appreciate your body
Oh baby you got me
Oh baby you got me
Oh baby you got me
Oh baby you got
Got me wrapped up
In your arms filled with love
Girl don't stop
Please don't stop it
Girl don't stop
