Ah-ah-ah-ah-ah  
Ah-ah-aah-ah-yeah

I walked into the club  
Popped a few bottles with my bruhs  
It ain't ever less, no fuck niggas rolling with me  
Can't trust some niggas in the beez  
Acting all nice in ya face, but it's what you don't see  
The snake, that's never in me  
Backwoods rolled right before I touch road  
And already shawty got money like in the telly  
And...

I just bought a nice lil' thing for my momma not a hoe  
Pull up in a Range all black she love my coat  
Cold as ice-cream when you come into the North  
She screams for me cause the buddy is tearing up her walls

And when she wants the booty call  
She gon' send an Uber to my place  
I got kush smoke a lot girl  
Do you wanna get involved with me  
And when she wants the booty call  
She gon' send an Uber to my place  
I got kush smoke a lot girl  
Do you wanna get involved with me  
Do you wanna get involved with me  
Do you wanna get involved with me

I got a lot of big things to do  
My lil' shorty on to me  
I need to make sure of the reasons she hot wants for me  
If you gettin' do with me shorty show some loyalty  
I don't really need these problems anymore (nah, nah)  
Been going through this too long now (and ma-a)  
Too long for her now  
Who else gon' treat you like a queen? You don't know  
Presto  
She stop at the [?]  
When you want a re-fill, you know where the cup  
Hit her with a right stroke, hit her with a left stroke  
And make your pum-pum cum cum all over me

And when she wants the booty call  
She gon' send an Uber to my place  
I got kush smoke a lot girl  
Do you wanna get involved with me  
And when she wants the booty call
