

# Menace

Roy Woods

I don't want to be a menace  
I don't want to be the menace to fuck up your mind again

I don't want to be the menace  
I don't want to be the menace  
I don't want to be the menace  
I don't want to be the menace to fuck up your mind again  
Yeah

I told you before I knew it  
Girl I was being foolish  
I knew I shouldn't of done it but I did it two times again  
I'm sorry  
I know you do not want to call me  
And I understand it  
Can I speak some Spanish, "te amo my darling," babe  
So what, if I put weed in my car  
And I roll a purple cup  
Right now I'm not feeling good  
So I rolled in my hood  
Southside, Southsiders for life  
You understand that, right?

I don't want to be the menace  
I don't want to be the menace  
I don't want to be the menace  
I don't want to be the menace to fuck up your mind again  
I don't want to be the menace  
I don't want to be the menace  
I don't want to be the menace  
I don't want to be the menace to fuck up your mind again

Your mind again  
Your mind again

I've been, so gone, too long, so long  
My moms been worried for so long  
Praying on these I know, I've  
I've been feeling like this  
I need to talk  
I need to walk away now, from you girl  
These problems, I can't have 'em, I can't solve it  
Feel I should pull out the revolver  
It's fucked how I've been feeling suicidal  
Maybe I should reach for the Bible  
I'm still my only rival

I don't want to be the menace  
I don't want to be the menace  
I don't want to be the menace  
I don't want to be the menace to fuck up your mind again  
I don't want to be the menace  
I don't want to be the menace  
I don't want to be the menace  
I don't want to be the menace to fuck up your mind again

Back then I was able to, hit her up like  
"What are you saying though"  
She said "I'm cooling baby"  
Come through maybe, my kung-fu baby  
Kick it with a nigga  
Come on my Lola  
She grabbed woods, we're smoking down by the hour  
Sex in the shower, it come up for hours  
Sex, sex, sex, sex in the city

Raw, raw, raw, raw  
Bitch I'm, raw, raw, raw, raw  
Hold up, hold up, hold up, raw, raw, raw, raw  
Like I'm motherfucking raw, raw, raw, raw  
Hold up, bitch I'm fucking, raw, hold up, raw

Still in the 6 I'm a rider (raw)  
Still in the 6 I'm a rider (raw)
