

# **Solo**

**Roy Woods**

She love me up hold me down  
She know what's up  
Every time she got a love you can't find  
I need it all  
Right now body and soul  
All mine nobody better no one finer  
I love your body in designer  
She keep me up never down

I'm finna turn up lil shawty  
She a good girl but with me she get naughty  
They won't hear nothing about it  
You can get nasty as fuck if you wanna  
She say it's nothing no problem  
Shawty turn into the life of the party  
They won't hear nothing about it  
They won't hear nothing about how your body's been freaking me solo

Oh your freaking me solo  
You been freaking me solo  
Oh on the low low

Girl you know the Addy  
When you pull up make sure ain't no panties  
Know that pussy got power I pat it  
All this sex becoming a habit oh

Want your love but we done did the damage  
I be watching your body on camera  
Like goddamn needa make us another  
S'why we can't stay away from each other

How your body so perfect babe  
So addicted it's worth it babe  
Got me swearing and cursing babe  
Your so fucking good

I love how your body been freaking me solo  
Oh your freaking me solo  
(Oh your freaking me your freaking me your freaking me)  
You been freaking me solo  
(You been freaking me solo)  
Oh on the low low (oh)

You know the Addy  
When you pull up make sure ain't no panties  
Know that pussy got power I pay it  
All this sex becoming a habit oh
