

Undivided

Roy Woods

Woah, woah, woah
I don't party on Friday night
I don't party on Saturday no more
I don't party on Friday night
I don't party on Saturday no more
I ain't hit the club, drinking at the crib with the bros
Pinching all the ounce from the plug
Shorty so sweet, sour tooth from your kiss girl
Mind is clear when we lay down
Shorty understands me, I'm safe in your arms now
First time for a lot of things now
Shorty you got me weak, weak weak, yeah

She understands me
What goes on in my life, what goes on in my mind
(She understands me)
They said you should take time, that's why I'm giving her mine
And it's undivided, -ded, -ded yeah
I'ts undivided -ded, -ded woah undivided

Running in sauce, flavour, me and my shorty we up
Cut some heads off Medusa's, feel like Breezy chucking up the d
euces
If I love her again I'm foolish [?]
She knew about me and I knew about her, and since I found you I
've been booling
Booling, cruising like the King that I made myself yeah
Rocking up my City [?]
Thinking about myself and I love myself a lot so I feel like Ka
nye sometimes
In the west side with you rolling Cali bud, we ain't got no dra
ma since we got our money up
I've told you about the things I'm scared about and they don't
trouble you and that's because

You understand me
What goes on in my life, what goes on in my mind
She understands me
They said you should take time, that's why I'm giving her mine
And it's undivided, -ded, -ded woah yeah
I'ts undivided, -ded, -ded woah undivided

You wanted, you wanted, you wanted it as much as I you wanted,
you wanted it
You wanted, you wanted, you wanted it as much as I you wanted,
you wanted it
You wanted, you wanted, you wanted it as much as I, as much as
I as much as

You wanted, you wanted it...
