

Besame Mija (baille Para Qui)

Royal Crown Revue

Baille para qui
Let the rhythm spark desire
Smile slyly as you move
Besame Mija You're my fire

So come on dance with me
Try the sparkle in your eyes
Swirling through the smoke and booze
Come on lover won't ya try

Let yourself sway, let yourself shine
Let's play a game
Pretend you're not mine

So Baille para qui
Let the rhythm spark desire
Smile shyly as you move
Besame Mija you're my fire
