

## Bad Luck

Royal Hunt

Bad luck-over and over again  
Bad luck  
bad luck-yeah

Working so hard-make me feel I've comitted a crime  
I wanna make it so big-it's just a matter of time  
Foolin' around, now my time is running out  
I want my feel back on the ground

I'm down-and my chance so low  
One for the money? two for a show  
Why troubles-comin' to stay  
Bad luck-bad luck all the way

I'm just gettin' so tired of fightin the wall  
Hey! Watchin' a big shot passing the ball  
Nothing to loose, I'm in hell on pleasure cruise  
Who gives a shit which way I choose-nobody moves!

I'm down-and my chance so low  
One for the money? two for a show  
Bad luck-such a heavy load  
Ain't gonna miss it goin' down the road  
Sky high-but it's never enough  
Hey, little angel, kick that stuff  
Why troubles-comin' to stay  
Bad luck-bad luck all the way
