

# Boots

Royal Republic

We been gettin' it on for so long  
I wanna do it again  
I been hittin' it hard for so long  
I wanna do it again

And I've got a feeling  
Tonight is the night  
I know that we are gonna make it alright

We're gonna dance till our boots come off  
We're gonna shake it till the world stops turnin'  
Dance till our boots come off

I been hittin' it hard for so long  
I wanna do it again  
I been singing along in your song  
I wanna do it again, and again, and again

And I've got a feeling  
Tonight is the night  
I know that we are gonna make it alright

We're gonna dance till our boots come off  
We're gonna shake it till the world stops turnin'  
Dance till our boots come off  
My mind is gone and my body's burnin'  
We're gonna dance 'till our boots come off

And I've got a feeling  
Tonight is alive  
Lend me your sugar  
And hit me one more time  
That's right

We're gonna dance till our boots come off  
We're gonna shake it till the world stops turnin'  
Dance till our boots come off

My mind is gone and my body's burnin'  
We're gonna dance till our boots come off  
We're gonna shake it till the world stops turnin'  
Dance till our boots come off

My mind is gone and my body's burnin'  
We're gonna dance 'till our boots come off
