

Diggin' It

Royal Republic

I wanna love you in the morning
I wanna love you without warning
Want you to take me by surprise
I wanna hear you say
Oh ah - are you diggin' it

Baby - want you to love me like a lady
I wanna hold you like a real man should
I wanna hear you say
Oh ah - are you diggin' it

Don't want your money money
Just want your honey honey
You think it's funny funny

When I get that feeling
I go dancing on the ceiling
Tell me baby - how you diggin' me now
I'm done hiding my emotion
Gonna walk across that ocean
I'll do anything to hear you say yeah

You know I'm willing and I'm able
I'll put my cards up on the table
I wanna hold you like a real man should
I wanna hear you say
Oh ah - are you diggin' it

Don't want your money money
Just want your honey honey
You think it's funny funny

When I get that feeling
I go dancing on the ceiling
Tell me baby - how you diggin' me now
I'm done hiding my emotion
Gonna walk across that ocean
I'll do anything to hear you say yeah

Are you diggin' it
Are you diggin' it

Don't wanna hear you say maybe
I wanna hear you call me baby
I wanna hold you like a real man should - are you diggin' it

When I get that feeling
I go dancing on the ceiling
Tell me baby - how you diggin' me now
I'm done hiding my emotions
Gonna walk across that ocean
I'll do anything to hear you say yeah, oh yeah
You know just the way to do it
I love the way you move it
Got me crazy - going out of my mind
You got my body shaking
Girl I love the love we're making

I'll do anything to hear you say yeah yeah yeah

Are you diggin' it
Are you diggin' it
Are you diggin' it
Are you diggin' it
Are you diggin' it

Are you diggin' it
