You got it bad, feeling lonely and sad - fireman!
When you're confused and fighting the blues
When you're coming loose I wanna tighten your screws

I'm a fire-, fireman and dancer
I'm a fire-, fireman and dancer
I'm a fire-, fireman and dancer (dancer, dancer)

So you had it to here with your old cavalier - fireman!
And don't you worry my dear, I wanna be sincere - fireman!
(Here we go) When you are down and wanna get out of town
When you're all out of moves I wanna show you my grooves

(Yeah) I'm a fire-, fireman and dancer
I'm a fire-, fireman and dancer
I'm a fire-, fireman and dancer (dancer, dancer)

(Dap-da-da, dap-dap-da-da)
(Ah-ah) Ooh, if you're ever lonely

I'm a fire-, fireman and dancer
I'm a fire-, fireman and dancer
I'm a fire-, fireman and dancer
I'm a fire-, fireman and dancer
I'm a fire-, fireman and dancer (dancer, dancer)
