

Fortune Favors

Royal Republic

Everyone is out of control
Fortune favors the bold
Everybody favors gold
Fortune favors the bold
Everyone is out of control
Fortune favors the bold
Everybody favors gold
Fortune favors the bold

Rock 'n' roll and all that jazz
Can kiss my motherfucking ass
You got yourself another flow
That just might work on the radio
Even though you changed your name
Everything just stayed the same
DJ this, DJ that
Drop the bass you fucking twat

Everyone is out of control
Fortune favors the bold
Everybody favors gold
Fortune favors the bold
Everyone is out of control
Fortune favors the bold
Everybody favors gold
Fortune favors the bold

I don't know, but I've been told
You don't wanna mess with the chicks in the front row
I'ma break your heart of glass
Take away your backstage-pass
Throw it in the garbage can
That's the kind of man I am
Rock 'n' roll and all that jazz
Can kiss my motherfucking ass

Everyone is out of control
Fortune favors the bold
Everybody favors gold
Fortune favors the bold
Everyone is out of control
Give me a piece of your heart and soul
Everybody favors gold
Fortune favors the bold
