

Superlove

Royal Republic

Seven days an hour
I'm thinking about you
I wanna buy you flowers
I do
I do
I do
Cause

You...
Gimme superlove
Ooh...
Let your sunshine light up my night
Gimme superlove

It's just another weekend
It's just another moon
I think I wanna kiss you
I think I'll kiss your momma too
Seven days an hour
For you
For you
For you
Cause

You...
You gimme superlove
Ooh...
Let your sunshine light up my night
Gimme superlove

It's just a neon weekend
And I'm losing all my cool
I let you do the things that
You do
You do
You do
Cause

You...
You gimme superlove
Ooh...
Let your sunshine light up my night
You give me super

I don't need another one as long as I got you
When you're with me there ain't nothing else I wanna do
I don't need another one as long as I got you

Oh, let your sunshine light up my night
Gimme superlove
