

i can't get high

Royal & The Serpent

Smoke a J for breakfast
Only thing that keeps me sane
Feeling kinda reckless
Don't you know I'm not okay?
Haven't found anything strong enough
Days and nights are borderlines without your love

Cruising at a hundred
It doesn't even feel that fast
Adrenaline is pumping
Kinda hoping that I crash into the water
I would rather drown

'Cause anything is better than coming, coming down

I can't get high, I can't get high, I can't get high
It fucking hurts, these drugs don't work, I don't know why
Excuse me if I overdose
It happens every time you go
Hard as I try
I can't get high, high, high, high

Have a tab for dinner
It doesn't really work too well
Feeling like a sinner
Goddamn, it hurts like hell
I must be past the point of no return
All this medication only makes it worse

If you've got a remedy then tell me now
'Cause anything is better than coming, coming down

I can't get high, I can't get high, I can't get high
It fucking hurts, these drugs don't work, I don't know why
Excuse me if I overdose
It happens every time you go
Hard as I try
I can't get high, high, high, high

I can't get high, I can't get high, I can't get high, I can't
I can't get high, I can't get high, I can't get high
'Cause you're the only thing that makes me feel alive

I can't get high, I can't get high, I can't get high
It fucking hurts, these drugs don't work, I don't know why
Excuse me if I overdose
It happens every time you go
Hard as I try
I can't get high, high, high, high
