Royal & The Serpent

(Well, yeah, you can't buy happiness
I mean that made me happy for a little while)

I just bought a juice at Erewhon
Got the car, got the guy, dope job, dream life
I guess this is what happy looks like
Hearing it from everyone
"Good job, you're great, cool song, big break"
(Damn)
I guess this is what happy looks like

So easy
So breezy
I was made for this
I got good weed
And life's the shit

So why am I in the mirror saying
Fuck you
Fuck you
Fuck you
(Fuck you, fuck you)
Everything you do is really uncool
Uncool
Fuck you
Fuck you

I'll find any excuse
Not to love you

(Hey, this is Royal & the Serpent in the tub
It's Royal, and you just heard my song 'Overwhelmed')

Higher than I've ever been
On charts, on drugs, got glowing skin
(Well, guess fucking what?)
This isn't what happy looks like

So easy
So breezy
I was made for this
I got good weed
And life's the shit

(Honestly whatever)

So why am I in the mirror saying
Fuck you
Fuck you
Fuck you
(Fuck you, fuck you)
Everything you do is really uncool
Uncool
Fuck you
Fuck you
(Fuck you)

I'll find any excuse
Not to love you

So why am I in the mirror saying
Fuck you
Fuck you
Fuck you
(Fuck you, fuck you)
Everything you do is really uncool
Uncool
Fuck you
Fuck you
(Fuck you)

I'll find any excuse
(I'll find any)
I'll find any excuse
Not to love you

(Fuck you, fuck you, fuck you)
