Royal & The Serpent

Am I future trippin?  
Signs your givin won't you let me know  
Let me know  
Sorry I'm obsessing  
Call it guessing maybe God only knows  
God only knows

Am I just little bit sick in my mind?  
Am I just a little bit maybe just a little bit?  
Am I just a little bit sick in my mind?

Oh baby, what you said last night  
Has got me thinkin bout that life  
I wonder what would it be like  
What would it be like  
We're not in love, maybe you're right  
But if you ever change your mind  
I wonder what would it be like  
Would it be like  
Together  
Together

I would wait forever  
If you ever want to give it a go  
Give it a go

Am I just little bit sick in my mind?  
Am I just a little bit maybe just a little bit?

Oh baby, what you said last night  
Has got me thinkin bout that life  
I wonder what would it be like  
What would it be like  
We're not in love, maybe you're right  
But if you ever change your mind  
I wonder what would it be like  
Would it be like  
Together  
Together  
Together

Oh baby, what you said last night  
Has got me thinkin bout that life  
I wonder what would it be like  
What would it be like  
We're not in love, maybe you're right  
But if you ever change your mind  
I wonder what would it be like  
Would it be like  
Together
