Dynamo

Royal Tusk

It feels like I'm already gone
I'm gonna try a little bit, not let it on
Say "lately I got nothing to show"
Yeah, you may be right but I don't care
So move along

I swear it's like I've been here before
I don't wanna play these little games anymore
Can't seem to get my ass off the floor
Yeah, you may be right but I don't care
So move along

Everybody's passing by
You know it's only you and I
And we've got no place to go
No, no
We're running low on life
But it'll be alright
'Cause I'm your dynamo
I'm your dynamo

Lately I've been doing no wrong
It's even easier than I thought
They say you gotta keep what you got
Yeah, they may be right but I don't care
So move along

Everybody's passing by
You know it's only you and I
And we've got no place to go
No, no
We're running low on life
But it'll be alright
'Cause I'm your dynamo

No, no
How's it supposed to go?
You're all I need to go to me
To keep from letting go

Everybody's passing by
You know it's only you and I
And we got no place to go
No, no
We're running low on life
But it'll be alright 'cause I'm your dynamo
I'm your dynamo
Everybody's passing by
You know it's only you and I
And we got no place to go
No no, we're running low on life
But it'll be alright
'Cause I'm your dynamo
I'm your dynamo
I'm your dynamo
