

Relegate

Royal Tusk

What's it worth
It's you and me
I've known you for so long
So who's this looking back at me
Do your worst
With sympathy
I've waited for so long
So tell me who I'm supposed to be
Supposedly

You're running circles on this wheel in my mind
All the time is not enough

When you tell me that I'm lost
And that I'm not worth the feeling
Keep on fighting at all cost
Until I can't even feel it
When you say you want me gone
Won't you make sure that you mean it
'Cause it keeps me holding on, I'm holding on
And I don't think I'll make it

Relegate
I'm holding on, I'm holding on
Relegate
I'm hanging on, yeah I'm hanging on

For what it's worth
Between you and me
Not everything is gone
We still got how it used to be
And we're moving on
Let you be free
'Cause when you're on your own
You'll always have a part of me

When you tell me that I'm lost
And that I'm not worth the feeling
Keep on fighting at all cost
Until I can't even feel it
When you say you want me gone
Won't you make sure that you mean it
'Cause it keeps me holding on, I'm holding on
And I don't think I'll make it

Relegate

You're running circles on this wheel in my mind
All the time I held you back from giving up
I'm running empty on this winding road inside
All the time was not enough

If I ever did you wrong
Was it ever worth the feeling
Keep on fighting at all cost
Until I can't even feel it
When you say you want me gone

Better make sure that you mean it
It keeps me holding on, I'm holding on
And I don't think I'll make it

Relegate
I'm holding on, yeah I'm holding on
Relegate
I'm hanging on, yeah I'm hanging on
Relegate
I'm holding on, yeah I'm holding on
Relegate
I'm hanging on, barely hanging on
