

# Dope Man

Royce da 5'9"

Hey-ey-ey-ey  
Prophesize to be your king  
He's a king of the street  
Man of the world, who the little boys wanna be  
He's the dope man  
Ohh (Ooh)  
Just the ghetto hood celebrity  
Chains and shackles, just a distant memory  
He's the dope man (Ooh)  
I ain't talkin' pimps and hoes, I'm talkin' Cadillac drove on 24s  
He's the dope man  
What you see is what you get, he's off it  
He's our dope man (Yeah)

It's 72 degrees and it doesn't get better than this  
The weather is so beautiful outside  
It's gonna warm up a little bit  
And I wanna shout out to all those people that are  
Headed out for good times with family and friends  
Just a little relaxin', enjoyin' yourselves  
I wish it was me joinin' you  
But I'm right here doin' the thing that gets it groovin'  
The moves and the sounds  
Only on Smooth Grease FM

Dope man, please, can I have another hit  
Dope man (Girl, can I have some more)  
Dope man, please  
Give it up, give it up for  
Give it up, give it up for  
Dope man, please (Ooh)
