

Shine

Royce da 5'9"

My nigga T.I.P. used this analogy, he said,
"It's like a dog barking and howling at the moon.
That dog don't even know why he barking. The moon don't give a
fuck.
The moon is so far away; he can't touch the moon, he can't turn
the moon off.
The moon just sits up in the sky and just shines.
Let the moon shine, dog. Let the moon shine, dog
