Gonna treat myself, can somebody turn off the light?  
'Cause the vid is on trial and I want to stick it out all night  
And I'll beat on cue 'cause the music they are playing I like  
And my vision turns blue with the terrible things that I want

In my head  
In my head  
In my head  
In my head  
In my head

And I'll see this through but I'd never want to be with you  
'N' my veins turn blue 'cause they're throbbing over pictures o

And it's kiss, kiss, kiss, but it's never gonna be what I want  
Nevermind what I want 'cause I'll change to the page that you'r  
e on

In my head
