

I Wanna Dance With You

Royel Otis

Can you tell by the way I fall down?
Can you tell by the way I'm calling out?
That I'll go through all this, so I can talk to you
And after all that, I could not see it through

I want to dance with you
I wanna dance with you
I wanna dance with you
I want to dance with you

Should've known by the way I'm throwing down for you
Should've known by the way I'm looking out
That I don't know myself banging over you
That I don't know myself hanging it over you

I want to dance with you
I wanna dance with you
I wanna dance with you
I want to dance with you

That I don't know myself banging over you
That I don't know myself hanging it over you
I wanna dance with you

So, just stay, stay
It's so easy to fall down
Feet, don't fail me now
So, just stay, just stay
It's so easy to fall down
Feet, don't fail me now
Just stay (Just stay)

I want to dance with you
I wanna dance with you
I wanna dance with you
I want to dance with you

That I don't know myself banging over you
That I don't know myself hanging it over you
I wanna dance with you
