

Merry Mary Marry Me

Royel Otis

Dig in this mess
There's a line that I should keep
It's a drawn out light
I'm yet to see
It's not that far
But somehow out of reach
I can't see the line
That's drawn out for me
Out for me

So I say merry, Mary, marry, merry, Mary, marry, Mary, marry me
I say merry, Mary, marry, merry, Mary, marry, Mary, marry me

Dig in this mess
There's a line that I should keep
It's a drawn out light
I'm yet to see
It's not that far
But somehow out of reach
I can't see the line
That's drawn out for me
Out for me

I say merry, Mary, marry, merry, Mary, marry, Mary, marry me
I say merry, Mary, marry, merry, Mary, marry, Mary, marry me
I say merry, Mary, marry, merry, Mary, marry, Mary, marry me
I say merry, Mary, marry, merry, Mary, marry, Mary, marry me
