

66 Days

Rozzi Crane

I'm so good at fantasy, and
Seeing what I want to see, yeah
See you at my door, seeing you can't take it anymore
'Cause you're so tired of missing me, and
What I want is what you need, but
Comin' back to earth, the truth is I'm alone, and yeah it hurts

So I'm just asking 'cause I need to know
(I need to, I need to, I need to know)
Is this something I should be letting go?

66 days since I've seen your face
But if we tried again, nah, would it all just be the same?
66 days of praying we've changed
'Cause baby I'm afraid, nah, I'm just built this way

Saw you in another dream, and
Waking up is bittersweet, so
Some days I wanna fight for us
Some days I wanna stick the knife in this, ayy
So won't you show up with the new you?
Or show up with somebody new
'Cause if I shouldn't stay
In love I need a reason to hate you

Is this something I should be letting go?

66 days since I've seen your face
But if we tried again, nah, would it all just be the same?
66 days of praying we've changed
'Cause baby I'm afraid, nah, I'm just built this way

66 days, been living without you, been living without you
66 days, I been sleeping without you, been sleeping without you
Hm, I been tryna forget you, I don't wanna forget you
I know it's been a while, but I still think of you as mine

After 66 days since I've seen your face
But if we try again, nah, it'd all just be the same
After 66 days since I've seen your face
But if we tried again, nah, will it all just be the same?
66 days of praying we've changed
'Cause baby I'm afraid, nah, I'm just built this way

66 days, been living without you, been living without you
66 days, I been sleeping without you, been sleeping without you
I been tryna forget you, but I don't wanna forget you
After 66 days, uh

Whoo, yeah, yeah, whoo
I can't forget you
Uh, uh, yeah yeah
I won't forget you
Woohoo...
