

# Crazy Ass Bitch

Rozzi Crane

Yeah, he's got such a pretty face  
He's been calling me for days I'll give him a try  
Student body, best in class, got me foolish for that ass  
Yeah, He's one of a kind  
First date said "I love you," second date met his mother  
Now his leaving all his shit in my place  
He's been looking through my phone, breaking in when no one's home  
Zero to sixty this boy's going crazy

Now now you're out of control now baby  
I know you're not in love but I can't get enough  
Cause when you go down baby, yes I know now baby  
Gotta have a glass of hitch with this crazy ass bitch  
He's a crazy ass bitch

He's picking fights outside the bar  
Slashing the tires in my car, what the hell is the deal  
But if we get into a fight, he just turns out all the lights  
Then he's got me for real  
Third date kept it cool, fourth date act a fool  
He's a feisty motherfucker for sure  
God damn just the lips, if you wanna make it last  
Zero to sixty this boy's going crazy

You're just so beautiful  
You make me lose control  
When you put your hands on me  
I think you're beautiful  
But your ass is crazy..  
CRAZY yaaaaa

Now now you're out of control now baby  
I know you're not in love but I can't get enough  
Cause when you go down baby, yes I know now baby  
Gotta have a glass of hitch with this crazy ass bitch  
He's a crazy ass bitch
