

Half The Man

Rozzi Crane

It's just that I still believe
That I can find somebody
Who is strong like me

The kind of guy
Brave enough
To face a fight
Without giving up
I want someone who can handle me

But you're half the man
That I am
You're just a boy, but I'm grown
I won't
Settle for half the man I am

Show me a man
One who can stand
As whole as I do
And be true
Love me like I do
Not half the man
That I, I am!

It's a losing game
And I don't wanna play
What's so hard about showing up when you say you will

When love gets hard
You run away
We fall apart
'Cause you're so afraid!
This love could set us on fire
So you just keep on blowing smoke

You're half the man
That I am
You're just a boy, but I'm grown
I won't
Settle for half the man I am

Show me a man
One who can stand
As whole as I do
And be true
Love me like I do
Not half the man
That I, I am!

But it's so strange despite all the things you put me through
Still feel that pain of something like love for you
And the saddest part is that you still own my heart!

But you are, oh you are only half the man, half the man I am!

You're half the man
That I am

You're just a boy, but I'm grown
And I won't
Settle for no half the man I am

Show me a man
One who can stand
As whole as I do
And be, be true
Not half the man
That I, I am!
