

Purple Mountains

Rozzi Crane

It isn't always picture perfect I can tell
Sometimes I wonder why I ain't just by myself
The shit you put me through is really something else
Yeah it is, yeah it is, yeah it is
And honestly this isn't really how I planned it
Forces of nature work in ways don't understand it
And now there ain't no world I see without you in it
No I can't, no I can't, no I can't

I talked to my brother
He said, this is best part (oh no)
You don't wanna think too much
Don't want no rush and no heart (oh no)

And just like the purple mountains
When they kiss on the sky
Just like us they belong together
They don't have to try
Yeah, yeah
I don't no rhyme or reason
For the words I can't find
I love you, I love you, I know that I love you
Even if I don't know why

Sometimes you know I gotta deal with you in doses
You piss me off and then you go and buy me roses
But you already know the door is always open
Yeah it is, yeah it is, yeah it is

I talked to my mother
She said, yeah sometimes it's hard, (oh no)
But you just gotta let it go
Don't want, no rush and no heart, baby

And just like the purple mountains
When they kiss on the sky
Just like us they belong together
They don't have to try
Yeah, yeah
I don't no rhyme or reason
For the words I can't find
I love you, I love you, I know that I love you
Even if I don't know why

Ooh-ooh-ooh-ooh, uh, uh
Ooh-ooh-ooh-ooh, hey yeah
Ooh-ooh-ooh-ooh, ooh
I love you
I love you
I love you
I love you
I love you
I love you
I love

And just like the purple mountains
When they kiss on the sky

Just like us they belong together
They don't have to try
Yeah, yeah
I don't no rhyme or reason
For the words I can't find
I love you, I love you, I know that I love you
Even if I don't know why
Even if I don't know why
And just like the purple mountains
When they kiss on the sky
I love you, I love you, I know that I love you
Even if I don't know why
