

Visions

Rozzi Crane

I thought about leaving so I know how it ends
Disappear without a trace
Losing you, but saving face
Our flame caught slow, now it's burning higher
It's not that I'm afraid of heights
It's just that I'm afraid of fire
And honestly, I hate how you make me feel
'Cause I like being in control
And you like making me let go

It's so unlike me
I never really like anymore
It's almost blinding
I have to look away not to come undone

But if I'm telling the truth, 'cause my heart won't let me lie
Oh, I only see you every time I close my eyes
I can't fight these visions, visions
Visions of what I'd be missin' without you
Visions, visions
Visions of what I'd be missing with you

Emotion's gunning like I'm sixteen
And I'm too smart for teenage love
But it's too good to be running from
Yeah, I like the look of your shirt on my floor
Wild and unafraid when you got me
Pressed up against the door

It's so unlike me
I never really like anymore
It's almost blinding
I have to look away not to come undone

But if I'm telling the truth, 'cause my heart won't let me lie
Oh, I only see you every time I close my eyes
I can't fight these visions, visions
Visions of what I'd be missin' without you
Visions, visions
Visions of what I'd be missing with you

Run, run, run (ah, yeah)
Visions of what I'd be missing
If I run, run, run (oh)
Visions of what I'd be missing
If I run, run, run (ooh)
Visions of what I'd be missing
If I run, run, run
(Ah, I'll tell you the truth)

But if I'm telling the truth, 'cause my heart won't let me lie
Oh, I only see you every time I close my eyes
I can't fight these visions, visions
Visions of what I'd be missin' without you
Visions, visions
Visions of what I'd be missing with you

Run, run, run
Visions of what I'd be missing (oh, if I run)
If I run, run, run (oh)
Visions of what I'd be missing (if I run)
If I run, run, run (ooh)
Visions of what I'd be missing
If I run, run, run

(Run, run, run, run)
(Run, run, run, run)
(Nowhere else for me to run)
(Nowhere else for me to run)
