

Rock Wit'cha

Ruben Studdard

Now that you are here with me
Baby let's do it right
Lady you know just what I need
I want to hold you oh, so tight
Baby just touch me anywhere
Cutie you turn me on, and on, oh
I like to run my fingers through your hair,
So come on and stay with me all night

I wanna rock witcha you, baby, all night long
I wanna roll witcha, lady, the feeling's so strong
I wanna rock witcha you, baby, all night long
Rock and roll, roll and rock, making sweet love, don't you ever
stop!

Uh, how about a little music now, babe?
Let's hear some more... more than...
Uh, let me rob your shoulders
Let's kiss the night away, yeah
Girl, I'm feeling your, feeling your heart beat next to mine
Baby, I'll make you feel so, so, nice!
Baby I think, baby I think, baby I think I can tell
Girl, I know we can make it right?

I wanna rock witcha you, baby, all night long
I wanna roll witcha, lady, the feeling's so strong
I wanna rock witcha you, baby, all night long
Rock and roll, roll and rock, making sweet love, don't you ever
stop!
