

The Nearness Of You

Ruben Studdard

You got the pill, that excites me
The thrills delights me
Hold on, baby
It's just the nearness of you
Oh, baby, cause I know you're sweet'
It brings this sensation
Hold on, baby
It's just the nearness of you

When I'm near you
I feel you so close to me
And my world has dreams, they come true
I guess they do

I need your'to check me
If you hold on and then you grab me
Grab me the right, baby
To hold you ever so tight
Feel me '
Oh, baby, the nearness of you

When I'm near you
I can feel you so close to me
And my world has dreams, they come true
I guess they do

I need your'to check me
If you hold on and then you grab me
Grab me the right, baby
To hold you ever so tight
Feel me '
Oh, baby, the nearness of you
And to feel in the'
Oh, my baby, the nearness of you
To feel you in the night
To hold you so tight
The nearness of you
