Told that bitch, don't say shit
'Less you ain't scared to get hit
He ain't ever been with a bitch like this
Waist on slim but the ass on thick
Tell your nigga, get out my dm
How he ain't gay but he always on dick
'Cause he been dreaming for a bitch like this
But I ain't no genie, can't grant no wishes

Yeah, blasé, blasé, blasé
Lil' bitch, I'm bossy, bossy, bossy
If you ain't a bad bitch get out my posse
You could take a hike bitch and go the long way
'Cause he ain't really seeing the vision
Probably cause the whip is [?] tinted
Bad bitch, cold pussy, I'm double winning
Oh shit big mad, hoes stay offended

Laughing straight to the bank
"LOL" with a smiley face
I don't give a fuck what nobody think
I said what I said and I mean what I say

Told that bitch, don't say shit
'Less you ain't scared to get hit
He ain't ever been with a bitch like this
Waist on slim but the ass on thick
Tell your nigga, get out my dm
How he ain't gay but he always on dick
'Cause he been dreaming for a bitch like this
But I ain't no genie, can't grant no wishes

Bitch I'm big and back, being bad
Run up a check, I do the dash
Made 6 figures on OnlyFans
Guess I was doing my money dance
Niggas is mad cause they bitch-made
Shake a little ass on the gram now my rent paid
Make an appearance and then I get 10k
Ballin' on bitches like I'm playing 2K

Laughing straight to the bank
"LOL" with a smiley face
I don't give a fuck what nobody think
I said what I said and I mean what I say

Told that bitch, don't say shit
'Less you ain't scared to get hit
