

Single

Rubi Rose

I-Island with the cash like Diego
(B-B-Bankroll Got It)

Look like I'm single again
Fuck-ass nigga forgot who I am
Don't know how to act, I'ma hit up his friend
Talkin' my shit but I said what I said
If I fuck with a nigga, he payin' my rent
Them lookin' receipts, bitch, I spend what I spend
Big pussy energy, sit on his lap
No cap energy, bitch, I'm a vet' (Uh-huh, uh-huh)

Bitch, who is you talkin' to?
You look up to me, I don't fuck with you
Bitch, you not act like you bulletproof
These hoes is a lie, but me, I'm the truth (Rubi)
Bitch, who is you talkin' to?
You look up to me, I don't fuck with you
Bitch, you not act like you bulletproof
These hoes is a lie, but me, I'm the truth

This yo' bitch, new theme song
Ass fat, I can barely put my jeans on
I be bangin' on niggas like King Kong
If he ain't about his money, he could repo'
Bad bitch, I'ma ride it like a seesaw (Seesaw)
Kill the pussy, send my shit into the ER (ER)
Sad bitch give a fuck about a broke boy
I sit on his face 'til his throat hurt

Look like I'm single again
Fuck-ass nigga forgot who I am
Don't know how to act, I'ma hit up his friend
Talkin' my shit but I said what I said
If I fuck with a nigga, he payin' my rent
Them lookin' receipts, bitch, I spend what I spend
Big pussy energy, sit on his lap
No cap energy, bitch, I'm a vet' (Uh-huh, uh-huh)
