

# Libby's Pink Car

Ruby Fields

You think I'm beautiful but you're delusional  
Already got my own beer thanks not to seem rude at all  
Asking me to jam kinda makes you look like a tool  
Little do you know I'm underage and still at school

I don't go out enough and my insta bio's way too blank  
It's an emoji of a rat cause I don't promote bikinis for the pa  
y  
Should I put a funny simpsons quote my love for yoga or my age  
Or the fact that I'm single, Buddhist and vegan on weekdays  
I don't know  
I don't know

I can't ride a wave for shit so I guess I'm not a member  
Of all the [?]  
I think sitting alone at home on my own computers better  
Watching anime or was it hentai?  
Fuck I can't remember

And yeah I'm a bad guy for breaking all the big boys hearts  
I'm every mother's nightmare religiously inhaling beer and dart  
s  
So don't get bitter kid cause you know that it was never meant  
to last  
I'm a single stay at home mum waiting around on her ass  
I don't know  
I don't know

Now I'm on struggle street I'm camping in my own backyard  
My mum's freaking out living with the 'rents is getting kinda h  
ard  
So I'm scripting this shit while I wait for Libby's pink car  
Hoping my shitty circumstance with witty words can give you all  
a laugh  
I don't know  
I don't know  
I don't know  
I don't know
