

## P Plates

Ruby Fields

I'd really like you to know  
I made it all the way to your show  
To watch you play then bail home  
Couldn't stay for cones 'cause I drove  
It really sucks being on P plates  
'Cause you never get to stay up late  
If there's something on really far away  
Easy, you can just come back to my place

I've been watching you for a while  
And I'm really digging your new hairstyle  
Would you maybe wanna catch up for a coupla' beers?  
'Cause I've been waiting for a night like this

Yeah, let's catch up for a coupla' coupla's  
We can get pissed and get to know each other  
'Cause you know that I'm just a bird with picky taste  
Who has taken a liking to your face  
And if it don't work out then we can still be best mates

I'm a greater casual fling  
I like to sleep in all morning  
We can go for a swim  
But, honey, let's not make it boring  
Just thought I should let you know that  
'Cause the looks you're giving  
Are a little telling  
You're the only bloke I'm into here

And we're actually getting on really well  
Blushing when you're laughing at the jokes I tell  
Feeling your arm slide around my waist  
I'm backing what's happening, fucking hell

Yeah, let's catch up for a coupla' coupla's  
We can get pissed and get to know each other  
'Cause you know that I'm just a bird with picky taste  
Who has taken a liking to your face  
And if it don't work out then we can still be best mates

Oh yeah, like that, darlin'  
Oh yeah, like that, darlin'  
Oh yeah, like that, darlin'  
Oh yeah, like that, darlin'

Later to now, call me when you're feeling it  
I gotta bounce, but I was really into it  
Forgot to say that I was going on tour  
Baby, maybe one day I'll be yours
