

Beefheart

Ruby

Beefheart, honey, don't you want to come and play with me?
Beefheart, honey, don't you want to come and play with me?
What happens in here is none of your concern
Beefheart, honey, don't you want to come and play with me?

Come and play with me, don't you want to come and play with me?
Play with me, play with me, don't you want to come and play with me?

Come and play with me, don't you want to come and play with me?
Play with me, play with me, don't you want to come and play with me?

A million days of empty space and time that you can use
A million years of empty space and time that you can lose
What happens in here is none of your concern
Beefheart, honey, don't you want to come and play with me?

Come and play with me, don't you want to come and play with me?
Play with me, play with me, don't you want to come and play with me?

Come and play with me, don't you want to come and play with me?
Play with me, play with me, don't you want to come and play with me?

There's nothing to do if you want to
There's nothing to do if you want to
There's nothing to do if you want to
There's nothing nothing nothing nothing nothing nothing nothing

Play with me, play with me, don't you want to come and play with me?

Play with me, play with me, don't you want to come and play with me?

Play with me, play with me, don't you want to come and play with me?

Play with me, play with me, don't you want to come and play with me?

There's nothing to do if you want to
Play with me, play with me, don't you want to come and play with me?

There's nothing to do if you want to
Play with me, play with me, don't you want to come and play with me?

There's nothing to do if you want to
