

Fucka Zombie

Rucka Rucka Ali

I was just a fuckin' cop
when zombies came for me
but I got practice bustin' shots
at unarmed young black teens, ow
Everyone does what I fuckin' say
Everyone knows Daryl's fuckin' gay
Too bad his brother can't beat off
but that knife hand is sweet, white power

That black guy saved me & he gave me some food
Zombies or no zombies there goes the neighborhood
And now he shows up with a stick fightin' skill
A black man that actually refuses to kill

Fucka zombie

Fucka zombie, oh shit
Fuck fuck fucka zombie, oh shit zombie

Fuck fuck fucka zombie, oh shit zombie

I showed up with my little sis to Atlanta State Prison
(home sweet home)
It's only place we thought to go,
cuz it's the only place we been (that's racist)
the Governor came and we all ran out
went to Everybody Hates Chris's house
and I got me a little bite
They wouldn't kill me off, if I was white

I'm Samurai bitch yeah I'm crazy as fuck
Them cannibals thought they could eat my ass up
Them faggot ass hipsters shoulda fucked with someone else
Before the apocalypse they was Kony 2012
