

## Rebecca's Black (High Day)

Rucka Rucka ALI

Everyday I wake up in the morning  
Smack my bitch, where's breakfast, bitch?  
Tell a bitch once, she goes cooks up some shit  
Bitch better not burn that shit  
Which kinda drug should I get fucked up with?  
Gotta get a buzz and I smoke  
Rocks  
Watch Good Morning America  
Smokin' my crack

Bitches tryin' to fuck me  
Ninjas tryin' to jump me  
Bitch says "Yo man, I'm done  
Cookin up the meth..."

It's High Day  
High Day  
Make-a-bitch-wait-outside day  
Everybody's smokin' on purple keef  
No cheap shit  
High day  
High day  
Order-crack-online day  
Smoke coke and choke a bitch  
Cuz she be speakin'  
Smokin' me smokin' some  
CRACK  
Smokin' me smokin'  
I'M BLACK  
Blunts, guns, fun  
Ya know this weed is mixed with ecstasy

Bitch I get high and plant bombs on the highway  
Watch 'em blow up and I snort some white  
Blunts, guns, out in the sun  
I'm too stoned to choke a bitch  
Slap a bitch, smack a bitch  
Mix heroin with Special K  
Stop by Kindergarten  
To buy some fuckin Ritalin

Bitches tryin' to fuck me  
Ninjas tryin' to jump me  
Gonna get my gun and shoot some  
Hippies in the chest....

It's high day  
High day  
Give-a-bitch-a-black-eye day  
Everybody's smoking on kush  
and keepin the streets clean  
High day  
High day  
Chill-with-a-black-guy day  
Clean off your heroin needle  
With some bleach, yeah  
Smokin' me smoking some

CRACK
