

# Ur a Cartoonist

Rucka Rucka ALI

If you're a cartoonist  
If you're a cartoonist  
If you're a cartoonist  
Then you die, die, die baby  
If you're a cartoonist  
If you're a cartoonist  
If you're a cartoonist  
Then you die, die, die baby

Look at me, I drew the face  
Of the Prophet of the Islamic faith  
Will I get killed by a Caliphate?  
And should I accept this kinda fate?  
Mo Hammad Mo Problems  
Where's Charlie?  
They shot him  
Mo Hammad Mo Problems  
Silly Moslems  
You can take a piss on Jesus and it's fine, fine, fine  
It's fine, fine, fine  
It's fine, fine  
But draw a picture of Mohammed  
And goodbye, bye, bye  
You die, die, die

You're gonna die  
For some cartoon shit  
Tell me, are we four years old?  
You got a gun  
Over some bullshit  
Tell me, did we bomb a country you're from?  
If God is great  
He's friends with retards  
Living in another millennium  
You're gonna die  
You're a cartoonist  
Muslims are just tons of fun (bro)

If you're a cartoonist  
If you're a cartoonist  
If you're a cartoonist  
Then you die, die, die baby  
If you're a cartoonist  
If you're a cartoonist  
If you're a cartoonist  
Then you die, die, die baby

Mohammad isn't even real  
Nor is Jesus, Jesus baby  
Spoiler alert  
We'll all be dead in a few short years  
So when will you taste, you taste bacon?  
You can take a shit on Moses  
And it's fine, fine, fine  
It's fine, fine, fine  
It's fine, fine  
Draw the face of one Mohammad

And you die, die, die  
Goodbye, bye, bye

You're gonna fly  
Your camel dune ship (dune ship)  
To kill me just for drawing a man?  
That has a bomb inside his turban (turban)  
How is your vagina so filled with sand?  
If God is great (great)  
Then do a Jihad  
We'll blow you motherfuckers away  
America (yeah)  
The land of pizza (pizza)  
And comic legends that like to rape (allegedly)

If you're a cartoonist  
If you're a cartoonist  
If you're a cartoonist  
Then you die, die, die baby  
If you're a cartoonist  
If you're a cartoonist  
If you're a cartoonist  
Then you die, die, die

We're gonna die  
It's so cartoonish  
Tell me, what is all this for?  
Religion's all  
So fuckin' stupid  
But I'm only afraid of one right now  
If God is great  
He's friends with retards  
Living in another millennium  
Mohammad bae  
I wanna be friends  
Please stop acting like a cunt
