

# Bye Bye

Omar Rudberg

Bye bye, bye bye, bye bye, bye bye

Oh, counting down the seconds 'til you're gone  
Please don't waste my time you pretty boy  
It's about time you go hide 'cause baby I don't play  
Bye bye, bye bye, bye bye, bye bye

You spend your hours and your money now on somebody new  
Kiss me good night but in the mornings you break my heart in two  
And I don't know why you think I wouldn't notice the truth  
So here's a little taste for you  
Bye bye, bye bye, bye bye, bye bye

All this time you've been running 'round town  
Think you're playing my heart so smooth (Bye bye)  
All this time you've been tryna get down  
But believe me I see right through (Bye bye)  
All this time you've been running 'round town  
Think you're playing my heart so smooth  
But I'm not the one who's a fool tonight so  
Bye bye, bye bye, bye bye, bye bye

Bye bye baby oh bye bye  
Bye bye baby oh bye bye

No, don't you come back knocking on my door (My door)  
'Cause I know I'm going to leave you wanting more like that  
So you can go ahead and kiss my ass  
No, don't you dare run right back  
Bye bye, bye bye, bye bye, bye bye

You spend your hours and your money now on somebody new  
Kiss me good night but in the mornings you break my heart in two  
And I don't know why you think I wouldn't notice the truth  
So here's a little taste for you  
Bye bye, bye bye, bye bye, bye bye

All this time you've been running 'round town  
Think you're playing my heart so smooth (Bye bye)  
All this time you've been tryna get down  
But believe me I see right through (Bye bye)  
Yeah, all this time you've been running 'round town  
Think you're playing my heart so smooth  
But I'm not the one who's a fool tonight so  
Bye bye, bye bye, bye bye, bye bye

(Playing my heart so smooth, so smooth) (Yeah)  
Bye bye baby  
Bye bye  
All this time you've been running 'round town (Bye bye, bye bye, bye bye, bye  
e bye)  
Think you're playing my heart so smooth (Playing my heart, my heart, my hear  
t)  
Playing my heart so smooth
