

# Girlfriend

Omar Rudberg

Got a little courage in your cup  
Body language say you wanna-  
(Fuck)  
But someone got you feeling kinda stuck  
I don't care though  
I can't leave a pretty boy alone  
I ain't checkin' who you got at home  
Is she the screensaver on your phone?  
I don't care, boy

If she was in my shoes  
She would do it too  
Let's forget 'bout you know who

You got a girlfriend  
She ain't doin' it right  
You got a girlfriend  
I don't see her tonight  
I'll be your girlfriend  
I'll be whatever you like  
No one has to know that I'm your girlfriend  
She ain't doin' it right  
You got a girlfriend  
Does she know how to fight?  
I'll be your girlfriend  
I'll do whatever you like  
No one has to know that I'm your girl

Oh, oh, oh oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh  
No one has to know that I'm your girl (Huh)

You can follow me or your heart  
I'll be in the corner where it starts (Where it starts)  
Ready if you wanna call a car (Oh yeah yeah yeah)  
I'll be waiting  
Didn't take you long to decide  
You got dirty thoughts in your mind (In your mind)  
Maybe we can make 'em real life (Yeah)  
Boy, quit playin'

If she was in my shoes  
She would do it too  
Let's forget 'bout you know who

You got a girlfriend  
She ain't doin' it right  
You got a girlfriend  
I don't see her tonight  
I'll be your girlfriend  
I'll be whatever you like  
No one has to know that I'm your girlfriend  
She ain't doin' it right  
You got a girlfriend  
Does she know how to fight?  
I'll be your girlfriend

I'll do whatever you like  
No one has to know that I'm your girl

Oh, oh, oh oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh  
No one has to know that I'm your girl

Oh, oh, oh, oh (girl)  
Oh, oh, oh, oh (yeah)  
Oh, oh, oh, oh  
No one has to know that I'm your girlfriend
